

Bowls Walker Deluxe

FEATURES

- Ultimate safety and strength to support the user
- Extra large seat for ultimate comfort
- Adjustable to suit all users of various size
- Ergonomic design to facilitate support for the user
- Easily foldable frame, lightweight aluminium frame
- Soft Touch Braking system
- Extra soft PU tyres as to not damage grass
- Ideal for bowling, golfing and grass activities
- Privacy pocket under seat

48mm Extra Soft Wheels

48mm wide wheels to comply with the Bowls Australia Artificial Device Policy.

Soft Touch Braking System

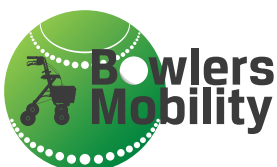

Soft touch braking system allows the user to securely lock the wheels by applying very little pressure to the push down brakes. Ideal for constant use to reduce strain when on the green.

Lightweight & Foldable

Folds down into a convenient size for transportation or storage, and is light enough to be carried when necessary, lifting from one surface to another.
